A SAFE BET
GAUGE COCKS, GLASS & GUARDS

The **Superior Products Gauge Cocks** are manufactured to offer a **higher** standard in sight flow indication management. Our bodies are made in a forging process opposed to a casting process, forged products are **stronger** and more **reliable** than that of castings. By using forged materials, the likelihood of imperfections in the material is reduced to almost zero. When used in combination with the **Superior Products Gauge Glass** and **Glass Guards** this trifecta will provide a superior amount of operator and **environmental safety**.

WARNING: SUPERIOR PRODUCTS IS NOT RESPONSIBLE FOR IMPROPER INSTALLATION. IMPROPER INSTALLATION CAN CAUSE GLASS BREAKAGE, WHICH MAY RESULT IN BODILY INJURY AND DANGEROUS ACCIDENTS.
